Mill Creek Watershed-Based Planning

Steering Committee Kickoff Meeting -- July 18, 2018

VISIONING EXERCISE

1) First, think about your vision for the future of Mill Creek. In one sentence, please describe the ideal Mill Creek Watershed about 10 years into the future (2028/2029).

2) What are the strengths of the Mill Creek Watershed?

3) What are your key issues of concern regarding the Mill Creek Watershed?

4) What specific projects or actions would you like to see completed to address your concerns or issues? Feel free to list several ideas and identify your top priority.

5) Please provide the name of a key person or group that we should gain input from to help inform the Mill Creek Watershed-based Plan.
