

FREP/Crystal Creek Watershed Tour - June 9th, 2021

Stop 1: 12:00PM-12:30PM
Crystal Lake City Hall
100 W. Woodstock St, Crystal Lake

Stop 2: 12:40PM-1:00PM
Lundhall Middle School
500 Nash Rd., Crystal Lake

Stop 3: 1:10PM-1:30PM
Towne Park
100 Jefferson St, Algonquin

CRYSTAL LAKE CITY HALL • 100 W WOODSTOCK ST, CRYSTAL LAKE

AGENDA: 12:00PM-12:30PM

AES-RES & City of Crystal Lake will present the newly completed Crystal Creek Watershed-Based Plan. The presentation will include a brief summary of watershed conditions, pollutants of concern, and potential water quality, green infrastructure, and habitat improvement projects.

LUNDAHL MIDDLE SCHOOL • 560 NASH RD, CRYSTAL LAKE

AGENDA: 12:40PM-1:00PM

We will look at a buried reach (in storm sewer) of Crystal Creek and discuss a potential project to “daylight” and restore the stream to ecological health. We will also discuss the design, permitting, and construction hurdles involved in completing this potential project.

TOWNE PARK • 100 JEFFERSON ST, ALGONQUIN

AGENDA: 1:10PM-1:30PM

We will look at a reach of Crystal Creek that was re-aligned and restored, through Towne Park as a result of the new Western Algonquin Bypass. Village of Algonquin staff will explain why the Bypass was needed and how it became an opportunity to improve Crystal Creek.

AES is excited to be part of RES
